BOARD OF SUPERVISORS

GOVERNMENTAL SERVICES COMMITTEE

This Committee issued a "Calendar" for each meeting, which constituted the Agenda for the meeting. The Calendar had a blank line at the end of each agenda item for "Action".

The decisions taken at the meeting on each Calendar item were entered on the "Action" lines of the Calendar. The Calendar was then referred to as the "Action Calendar" or "Marked Calendar", and constituted the Minutes for the meeting.

Note that the Agendas and the Minutes are both captioned "Calendar". They differ in that the Minutes describe the action taken on each Calendar item.

This volume includes the available Minutes of this Committee's meetings. The Agenda is included only if the Minutes are missing.
